It was briefed to the participants that initially, only Technical Bid / Proposal will be opened and evaluated in a manner prescribed in bidding documents, without reference to the price and reject any proposal which does not confirm to the specified requirements. Financial Bids / Proposals of technically qualified bids shall be opened publicly at a time, date and venue announced and communicated to the bidders in advance. Financial Bids / Proposals found technically disqualified / non-responsive shall not be considered. Accordingly, prior to evaluate bid in depth, preliminary examination of the bids was made by the procurement committee.

Bidders were informed that the detailed technical evaluation will be carried-out and communicate, and thereafter Financial Bids will be opened in presence of the bidder's representative(s).

Meeting ended with the vote of thanks to and from the chair.
